

WEI Isep 2026

The integration weekend is THE must-attend event at the start of the year. It's a time for students to meet and start building connections. It's also a chance to discover the school's vibrant student association scene.

BDE Baiana wants to make this event unforgettable for you, so to make sure you don't miss a thing, find us on Instagram:

Who are we?

Baiana is the student union (BDE) for the 26-27 term, made up of 40 people from every year group. We have spent the entire year striving to deliver the best possible experience for students, from the initial campaign week right through to the end of our mandate.

We are truly committed to welcoming all new students and ensuring they enjoy their time in higher education.

The Integration Weekend (WEI) will be the first major event of your student life.

Early booking price: 225€

How is the WEI organized?

Every member of the Student Union (BDE) helps organize the weekend—handling activities, logistics, and, above all, ensuring everyone's well-being. We draw on the experience of past teams and previous feedback to create a unique event. And let's not forget the guidance provided by Isep through its support for student life.

So, come as you are—bring your joy and good spirits—and we'll take care of the rest!

What activities are there?

Sports, games, team challenges, fun... The BDE and the school's associations are organising all kinds of activities to ensure you have an amazing time and discover your class spirit.

A WEI open to everyone

Does it start on Friday?
Don't worry, the school has
cleared the schedule of all
classes.

Our goal: to leave no one behind.

We are working to create a
healthy, respectful, and
supportive environment where
everyone can find their place in
the Isep community.

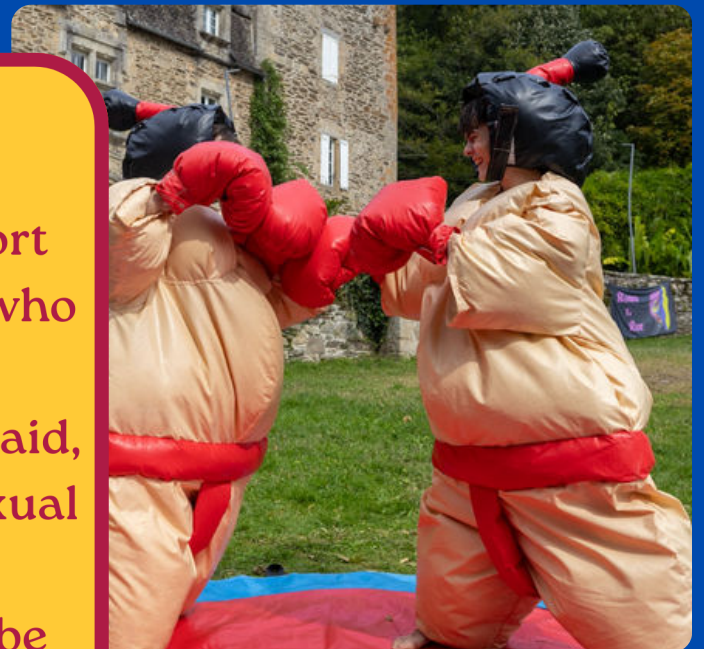

If you have any specific needs,
get in touch with us :)

Safety

Throughout the weekend, support
will be available 24/7 for anyone who
needs it.

Part of the team is trained in first aid,
in handling gender-based and sexual
violence, and managing
event-related risks; we will also be
supported by a dedicated security
and first aid team.
